

# PRO TV & SATELLITE SIGNAL FINDER

As used by professional  
aerial installers.

Now available for use in your  
CARAVAN, MOTORHOME OR BOAT

*"Tune in your caravan TV in  
less time it takes to make that  
first cup of tea...FANTASTIC!!"*

## A UNIQUE AND NEW PRODUCT

At last, a stylish & simple to use, 2 in 1  
hand held unit.

Suitable for use with either a directional  
TV aerial or satellite system in your  
caravan, motorhome or boat.

We have listened to our customers and  
introduced a combined TV and Satellite  
signal finder.

Now even with greater sensitivity plus 12  
LED's for accurate aerial and satellite  
alignment with the additional features of  
an audible signal indicator and greater  
battery life.

The PRO TV & SAT Signal Finder has  
been developed by Fringe Electronics  
Limited who have over the past 30 years  
specialised in TV Reception Equipment,  
Signal Amplification and Signal  
Distribution, and their products are  
extensively used throughout the UK and  
are the No. 1 choice of the professional  
TV Aerial Installers based on quality and  
prolonged performance.
